

WDDA Window & Door Dealer Day

Erin Ennis
Owner/Operator
Energy Exteriors NW

Energy Exteriors NW is locally owned, with residential expertise in projects of all sizes and requirements. Our technicians are in-house employees with over 25+ years of residential experience ensuring a quality job every time.

Erin Ennis, Owner/Operator of Energy Exteriors NW, comes from a long line of entrepreneurs and volunteers. Erin takes an active role in her company both in the office and in the field. The customer/homeowner is always Erin's priority and she consistently expects her team treat each home as if it were their own home. Erin became involved in the home remodeling construction industry with a goal of providing 5-star customer service every step of the way. As a female business owner in this industry, bringing awareness to the trades and how women can get involved in this career path is her main motivation. Just as important is creating the opportunity for more affordable housing for all with feature of energy efficiency and home health.

Fun facts about Erin:

- She is the mother of two grown sons and enjoys cooking, water sports and spending time with family and friends.
