

# **WDDA** Window & Door Dealer Day

**Scott Brown**  
**COO & New Construction Specialist**  
**Franklin Window & Door**

Scott Brown is blessed to be able to help lead a talented team of individuals toward a common vision. He utilizes this opportunity to pursue his greatest passion. Scott's greatest passion is a result of his experiences during his youth. He did not realize his gifts early in life and as a result was lacking passion towards anything. His desire is to help the youth find their gifts as early in life as possible, thus restoring passion into the lives of the youth. He loves the building industry and can see great opportunity to tie his passions to needs in the industry.
